AD Report- Jere Applebee

- Winter Season has started for all sports.
- Addressed question from club, whether Coach ASB accts were the best way to distribute “Pay per shift” money to coaches. He assured that coaches can use this money at their own discretion and seems to be working well.
- Informed club that district has frozen budgets for Athletics for the rest of this school year. At this time Baseball, Softball, Boys/Girls Track and Wrestling have no funds for new purchases this year from the district.
 1. It was discussed reevaluating distribution of Priority Funds. Including increasing amounts available to each sport, using non spent funds from fall sports for “frozen” sports and opening up the way the funds may be spent.
 2. AD said he would poll coaches to see how they felt about giving their available Priority Funds to “frozen” sports.
 3. It was decided to discuss this at Januarys meeting, to allow time to poll coaches and have larger member turnout for debate.

Glad Dad Christmas Tree Sale Review- Tracy Todd
Special Thank you to co chairs Lloyd Mathis and Cindi Szeimies.
A great turn out and the 1st Saturday in December seems to continue to be a good sale day.

- 100 Doug Firs were donated by Steve Hoffmen of Hoffmen Farms in Oregon City.
- 100 Nobles 6-8ft were purchased from alumnus Casey Beatty of Spring Creek Tree Farm for \$15.00 a tree
- 20 plus trees were given to the Mr. Prom and the Leaderships “Adopt a Family” program.
- All but 6 trees were sold at the end of the day.
- GHS Choir sang music and sold treats. They have asked to be included next year as well.
- Lloyd Mathis constructed 6 large sandwich boards for the day of sale and Cindi Szeimies painted them.
- Lloyd Mathis believes he can get more Nobles for next years sale, he suggests putting in order by 10/1/09.
- Cindi Szemies has contacted Casey Beatty, next years order will have 7-8ft with a handful of 6 fts. Since those sold the least.

New Business- Allan Dasonville
Cruisen Coffee has an old portable coffee hut for sale. Was discussed looking at purchasing the hut to use as a portable snack shack for the Softball fields.
Lloyd Mathis knows the Cruisen people and will contact them in regards to the cost of the hut, price and any donation.

Meeting was adjourned.

Next monthly Club meeting set for January 12th, 2009
